Users & Authorization

users

- id (PK)
- name
- email (unique)
- phone_number (unique)
- is_phone_verified
- is_email_verified
- address (nullable)
- profile_photo_url
- profile_photo_thumbnail_url
- tagline
- bio
- linkedin_url
- other_social_url
- role_id (FK → roles.id)
- created_at
- updated_at

roles

- id (PK)
- name (unique)
- description
- created_at
- updated_at

permissions

- id (PK)
- name (unique)
- description
- created_at
- updated_at

```
role_permissions (Many-to-Many)
  role_id (FK → roles.id)
  permission_id (FK → permissions.id)
```

Preferences & Metadata

```
languages
  id (PK)
  language_name
  language_code (ISO)
  place_used

genres
  id (PK)
  name (unique)
  usage_count

user_languages (Many-to-Many)
  user_id (FK → users.id)
  language_id (FK → languages.id)

user_genres (Many-to-Many)
  user_id (FK → users.id)
  genre_id (FK → genres.id)
```

Subscriptions

```
subscription_types
  id (PK)
  name (unique)
  cost
  currency (default INR)
  duration_in_days
  created_at

user_subscriptions
  id (PK)
  user_id (FK → users.id)
  subscription_type_id (FK → subscription_types.id)
  subscribed_at
  valid_till
```

Content & Books

categories

- id (PK)
- name (unique)
- short_description

subcategories

- id (PK)
- category_id (FK → categories.id)
- name
- short_description

tags

- id (PK)
- name (unique)
- usage_count

books

- id (PK)
- title
- subtitle (nullable)
- author_id (FK → users.id)
- language_id (FK → languages.id)
- category_id (FK → categories.id)
- subcategory_id (FK → subcategories.id)
- is_checks_passed
- short_description
- full_description
- number_of_pages
- price
- original_file_url (file PDF < 20MB)
- cover_image_url
- sample_read_url (optional PDF)
- index_file_url (optional PDF)
- purchase_count
- created_at
- updated_at

book_tags (Many-to-Many)

- book_id (FK → books.id)
- tag_id (FK → tags.id)

book_genres (Many-to-Many)

```
book_id (FK → books.id)
genre_id (FK → genres.id)
```

Orders & Payments

```
transaction_statuses
  id (PK)
  name
  (PENDING, SUCCESS, FAILED, REFUNDED)

orders
  id (PK)
